## LEVEL 1 VOLUNTARY WATER USE RESTRICTIONS EFFECTIVE JULY 1, 2014

The City of San Diego has declared a Level 1 Drought Alert. Voluntary water use restrictions are currently in place, including:

- Limit landscape irrigation to 3 days per week
- Use hose with shut-off nozzle or timer for irrigation
- Wash vehicles at a commercial carwash that recycles water or hose with shut-off nozzle
- No irrigation when it is raining
- Use recycled water for construction purposes, when available

*For a complete list of restrictions visit [WasteNoWater.org](http://WasteNoWater.org)*

## PERMANENT WATER USE RESTRICTIONS

The following MANDATORY restrictions are in effect at all times:

### LANDSCAPE WATERING TIMES

June 1–Oct. 31: Before 10 am & after 6 pm  
Nov. 1–May 31: Before 10 am & after 4 pm

- Eliminate excessive irrigation and run-off
- Repair leaks upon discovery or within 72 hours of notification
- No overfilling of pools and spas
- Use broom instead of running hose to wash driveways and paved areas unless it is a safety hazard
- Use recirculated water to operate ornamental fountains
